Dear Madam:

In reply to your recent letter I wish to advise you that the Social Service Department has re-opened your application for admission to a Metropolitan-Toronto Home for the Aged. However, as you will recall, pre-admission requirements include an up-to-date chest x-ray, a Doctor's appointment, and a visit from a Caseworker, all of which can only be suitably handled when the applicant is living nearby.

Perhaps you can make arrangements to return to the Toronto accommodation which you left last December, for a temporary time at least.

As soon as you reach Toronto, please telephone our Social Service at 531-5771, 8.30 a.m. to 4.30 p.m., Monday to Friday, and we will arrange for the necessary visits as quickly as possible.

Yours truly,

  
S.A. Young, Director,  
Homes for the Aged.
